About the National Association of Students Against Violence Everywhere:

SAVE started at West Charlotte High School in Charlotte, N.C. in 1989 following the tragic death of a student who was trying to break up a fight at an off-campus party. Students met first to console each other, then as an organization to promote violence prevention and to work together to prevent future incidents from occurring. SAVE provides education about the effects and consequences of violence and helps provide safe activities for students, parents and communities. For more information on SAVE or starting a SAVE chapter, visit www.nationalsave.org, or contact SAVE at (866) 343-SAVE to receive free start-up materials and guidance.
