### **National Association of Students Against Violence Everywhere Names Local Student to 2012-2013 Youth Advisory Board** *Michelle Collie, Freshman at South Granville High School, Named to National Advisory Board*

---

CREEDMORE, NC. (August 23, 2012) — Carleen Wray, executive director of the National Association of Students Against Violence Everywhere (SAVE), has announced that Michelle Collie, a freshman at South Granville High School, has been selected as one of six high school students from across the country to serve on the 2012-2013 National SAVE Youth Advisory Board (YAB). Members of the board met in Raleigh, NC last week to participate in a National Youth Leadership Institute where they were trained as presenters and spokespersons for the national organization. At the Institute, Collie was elected by her peers to serve as Historian.

*“SAVE has made a positive difference in my middle school, East Wake Academy, by decreasing bullying.” stated Miss Collie. “Through SAVE I have learned to stand up to bullies and to befriend the victims because no one should go through this alone.”* Michelle looks forward to establishing a SAVE Chapter at South Granville. The Youth Advisory Board will meet throughout the year to discuss youth violence issues and develop action plans for SAVE chapters across the nation.

In addition to SAVE, Collie is involved in the community outside of school; as a volunteer with Rescue UR Forever Friend (RUFF) and Paw Prints Animal Rescue. Collie’s participation in animal rescue is a favorite pastime and sees volunteering as a means of helping her community.

Members of the YAB developed their leadership skills through participation in training sessions, discussions of best practices for school violence prevention and the practice of educational activities for sharing with other SAVE students. They created goals for the year as well as a proactive action plan to combat violence through the implementation of the three essential elements of SAVE: crime prevention, conflict management and service projects.

SAVE is a student-run, student-initiated public nonprofit violence prevention organization with over 2,000 chapters in 48 states and more than 200,000 members in elementary, middle, high schools, colleges and communities nationwide.

#### **About the National Association of Students Against Violence Everywhere:**

SAVE started at West Charlotte High School in Charlotte, N.C. in 1989 following the tragic death of a student who was trying to break up a fight at an off-campus party. Students met first to console each other, then as an organization to promote violence prevention and to work together to prevent future incidents from occurring. SAVE provides education about the effects and consequences of violence and helps provide safe activities for students, parents and communities.
