Dear SAVE Chapter,

Thank you for your dedication and support of the National Association of Students Against Violence Everywhere (SAVE). By participating in the 2016 National SAVE Rock-A-Thon your SAVE chapter will have a tremendous impact on improving safety while helping to achieve SAVE's vision of schools being safe and secure, free of fear and conducive to learning. Funds received from the National SAVE Rock-A-Thon will enable National SAVE to continue its mission by engaging, educating, empowering and encouraging students to make a positive difference in the safety of their school and community. SAVE will continue to distribute quality educational programs, brochures, lesson plans, technical assistance, and opportunities to exchange information as a part of general operating costs. National SAVE is a public 501(c)3 nonprofit and is funded through public support. We are asking every SAVE chapter to participate in this nationwide effort on Friday, October 21, 2016.

What is a Rock-a-thon?

A Rock-a-thon is an opportunity for your SAVE chapter and community to come together to raise proceeds and awareness for achieving the mission of Students Against Violence Everywhere. The event provides a forum for SAVE members to 1) highlight information and awareness on your SAVE chapter and its activities; 2) conduct a safe and fun activity for chapter members that can build friendships and assist your chapter in performing as a team early in the school year; and 3) raise funds for your SAVE chapter and the National Association of SAVE.

How does a Rock-a-thon raise money?

SAVE members are recruited to partake in the Rock-a-thon activities and solicit donations prior to event day. SAVE members "rock" in teams in a rocking chair for up to twelve hours. ***You will be amazed at the amount of support and generosity that your friends, family members and business contacts give you, simply because you ask for their support.***

How will our chapter benefit?

Funds - Your chapter will receive half of all the sponsorship donations collected. The other half will be sent to the National Association of SAVE. ***Awareness*** – Your SAVE members will be sharing information on your SAVE chapter as they solicit sponsors. Local media will be informed of your activities and efforts. ***Community Connections*** - Local merchants can be solicited to sponsor teams, provide refreshments, or incentives for your event. ***Members***- This is an excellent opportunity for you to recruit members for your SAVE Chapter! It will be a fun event where they can be paired with another SAVE member and can learn about SAVE.

Where do we hold the Rock-a-thon?

At the school, community agency or business that will let you "Rock" all night! SAVE chapters can kick off the Rock-a-thon with an awareness booth at a Friday night football game or other event where they can also collect additional pledges. After the football game members then report to the school gym, cafeteria, library or other designated area to rock for up to 12 hours. It is suggested that SAVE members rock in teams of 2-4 so that only one rocking chair is needed for 2-4 students. Someone from their team must be rocking at all times.

How can we publicize the event?

Promote the event with posters, PSAs, memos, newsletters and media releases. Put up flyers/brochures at school, community agencies, gym, church or school. Seek a sponsor for incentives including t-shirts, prizes and matching funds. Please share your event success with National SAVE. See attached sample promotional items.

We hope the enclosed suggested items will be beneficial to you as you plan your National SAVE Rock-A-Thon event. Be sure to check the National SAVE website (www.nationalsave.org) frequently as we will be posting additional information and resources as October 21, 2016 approaches. Thank you for your efforts as we strive to create safe and secure schools and communities!

Sincerely,
Carleen Wray
Executive Director

National SAVE Rock-A-Thon Planning... ***Let's Get Started!***

- Obtain school administration permission for your SAVE Chapter to conduct a Rock-A-Thon
- Register your event with National SAVE!*** We will list your Rock-A-Thon information on the National SAVE website and assist you in promoting your event and gaining pledges. See the enclosed form that you can fax or mail to SAVE.
- Conduct a SAVE meeting with your members to inform them about the Rock-A-Thon. Things to consider:
 - Can your chapter participate on October 21 or do you need to choose an alternate date?
 - Will your chapter rock in teams of 2, 3, or 4? How will you determine teams? How will you assist teams in getting a rocking chair if their team doesn't have access to one.
 - How will your chapter publicize your event?
 - How does the chapter envision the event? Will there be movies, games, and activities at the Rock-A-Thon? Where will it be held?
 - Do you need to form committees? Several suggestions:
 - Promotional committee – responsible for flyers, Public Service Announcements, media releases, violence prevention fact sheets, pledges or information to share at information table.
 - Corporate Sponsorship Committee – responsible for seeking donations of food and refreshments for the event, incentives, seeking local businesses to sponsor "teams" of Rockers
 - Distribute permission forms for students to participate
- Permission forms collected. Pledge flyers and pledge sheets distributed.
- Location secured for event.
- Chaperones (school staff, parents) contacted and secured.
- Awareness activities conducted or arranged: Public Service Announcements, Media releases, posters, etc.
- SAVE members secure pledges. Pledge sheets and funds collected.
- Refreshments for the evening arranged
- Rocking chairs for all teams secured
- Games, appropriate videos and music, other entertainment arranged for event.
- Rock-A-Thon occurs.
- Thank you's sent to corporate sponsors, refreshment suppliers, volunteers, etc.
- Documentation of event and one half of the funds collected sent to National SAVE. Remaining half retained to support SAVE chapter's activities.

Congratulations on your first successful Rock-A-Thon for SAVE!
